Technical Regulations

- The following technical regulations of Motorsport UK's NCR's apply
- Technical Regulations under Chapter 7 – Vehicles and Vehicle Safety Equipment
- Technical Regulations under Chapter 8 – Permitted fuels and Tyres and Testing
- Technical Regulations under Chapter 9 – Competitor Personal Safety Equipment 'PSE'
- Technical Regulations under Chapter 20 Appx 10
- Technical Regulations mandated in Official Documents – including these Supplementary Regulations and the AROC Handbook

Event details

- Description of event – Offroad trials sections comprising of 12 gates per section. 5-12 sections used per event. Public highway not used. Each competitor to drive the section once in order, as given at the event briefing, with no prior practice. Gates are numbered, starting at 12 to 1. Competitors aim to drive the complete section without hitting the gates and scoring the gate number or stopping/ceasing forward motion. The competitor with the lowest score at the end of the event wins.
- Vehicle starting positions – front hubs to be in line with the start gate (if used) or 12 gate.
- The following classes will apply
SSWB, SWB, LWB
- One 'Shunt' per section is optionally available for LWB vehicles (over 95" wheelbase) and must be called before the vehicle comes to an involuntary stop. The vehicle must not leave the boundary of the course during the shunt.
- Practicing will not be permitted
- Identification numbers will not be required by the organisers
- There will be no television coverage of this event
- This event is part of a club league. Not a championship event.
- Pit area – 5mph speed limit. Any repairs/maintenance carried out to a vehicle must be done so with vehicle parked on a groundsheet to prevent contamination to the ground.

- Vehicles must carry a suitable recovery rope as stated in the AROC handbook. All recovery to be managed by the clerk of the course, which may be delegated, and should only be carried out by those signed on at the event.

Scores & Results

- Scores will be held on one main scorecard for the event
- Provisional results will be announced within 30 minutes of the end of the event. Final results will be posted on the AROC website and social media channels after any appeals, if made, have been resolved.
- Judges of fact – All marshals and officials will be considered judges of fact. Any disputes or appeals should be raised to the Clerk of the Course to make judgement upon if necessary. If not resolved then the matter will be referred to the steward as per the MSUK procedure under Ch 3 App 3.
- Protests should be logged in accordance with Ch 2 of the NCR's

Other Requirements/Information/GDPR Policy Reference

- GDPR policy available from website www.arocoffroad.co.uk
- Only competitors and officials vehicles are allowed in the competition area
- No person at any time shall travel/ride between sections standing up in/on the rear or any other part of a vehicle. Occupants must travel in a proper seat. This applies to all vehicles including officials.
- Only those signed on for the event may travel in competing or officials vehicles, unless in an emergency.
- Seat belts must be worn correctly in all vehicles when the vehicle is in motion
